VACCINATION

**Global Engagement Office
International Relations Division**

EMA (European Medicine Agency) **authorised** vaccines

- [Comirnaty](#) (Pfizer)
- [Spikevax](#) (previously COVID-19 Vaccine Moderna)
- [Vaxzevria](#) (previously COVID-19 Vaccine AstraZeneca)
- [COVID-19 Vaccine Janssen](#) (Johnson & Johnson)

Currently under rolling review (**non-authorised yet**)

- NVX-CoV2373 (Covovax)
- CVnCoV (CureVax)
- Sputnik V (Gam-COVID-Vac)
- COVID-19 Vaccine (Vero Cell) Inactivated
- Vidprevtyn (Sanofi-GSK)

More vaccines are currently being used and/or researched but have not been submitted for EMA authorisation

If you have received one of these vaccines, you can receive an additional dose with a vaccine recognised by EMA!

Can I get vaccinated in Italy?

Yes, you can.

After your arrival in Italy and
after having completed the isolation period (if required by regulations).

You must send an email to emergenzacovid19@aulss6.veneto.it indicating:

NAME - SURNAME - DATE OF BIRTH - TAX CODE - PLACE OF BIRTH
CITIZENSHIP - RESIDENCE - DOMICILE - MAIL - TELEPHONE NUMBER

If you miss any of these required information, please wait before sending the email.
Please note that incomplete requests will not be processed.

Can I get the second dose in Italy?

Yes, if you have already received the first dose of one of the EMA-authorised vaccines.

After your arrival in Italy and
after having completed the isolation period (if required by regulations).

You must send an email to emergenzacovid19@aulss6.veneto.it indicating
(see previous slide):

NAME - SURNAME - DATE OF BIRTH - TAX CODE - PLACE OF BIRTH
CITIZENSHIP - RESIDENCE - DOMICILE - MAIL - TELEPHONE NUMBER

and attach a copy of a valid vaccination certificate*, indicating:

NAME OF THE VACCINE - BATCH - EXPIRY - PLACE OF PERFORMANCE

(*the certificate is valid if in Italian, English, French or Spanish
and with the stamp of the issuing body)

“Green Pass”

**Global Engagement Office
International Relations Division**

The “Green Pass”

- is a type of **EU digital COVID certificate**
- facilitates free and safe movement in the EU
- is free of charge (**SCAM ALERT!**)
- digital and printable certification
- contains a two-dimensional barcode (QR Code) and a qualified electronic seal
- in Italy, it is issued **only** through the national platform of the Ministry of Health.

The Certificate attests **one** of the following conditions:

- vaccinated with an **EMA-authorised** COVID-19 vaccine.
(in Italy, it is issued both after the first dose and after the second dose)
- negative result of a **molecular or antigen swab** test within the past 48 hours
- recovery from COVID-19 in the past six months
(certified by **molecular or antigen swab test**)

From the 6th August 2021,
the “**Green Pass**” will be **compulsory*** to access the following services and activities:

- restaurants, cafés (**limited to indoor services**)
- shows, sporting events and competitions;
- museums, other institutes and places of culture and exhibitions;
- swimming pools, gyms, wellness centres, team sports (**limited to indoor activities**);
- festivals and fairs, conferences and congresses;
- spas, thermal centres and amusement parks;
- cultural, social and recreational centres (**limited to indoor activities**)
and with the exception of educational centres for children and related catering activities);
- gaming rooms, betting rooms, bingo halls and casinos;
- public competitions

*Those who cannot receive a vaccine for medical reasons can be exempted upon submission of a valid certificate.

Update: 31st August 2021
Source: www.dgc.gov.it 8

From the 1st of September 2021,
the “**Green Pass**” will be **compulsory*** to access the following:

- **University facilities**
- Long distance travel within Italy via:
 - Airplane
 - Train: «Alta Velocità» (Frecciarossa, Frecciargento, ...), Intercity, Intercity notte
 - Bus (i.e. flixbus, busses connecting two or more regions)
 - Boat

Regional and local public transport does
not require having the Green Pass

*Those who cannot receive a vaccine for
medical reasons can be exempted upon
submission of a valid certificate.

Can I get the “Green Pass” by vaccinating?

Update: 31st August 2021
Source: www.dgc.gov.it

EMA-authorised vaccine

Yes, you can.

You must wait for the online procedure, which will be available at: www.dgc.gov.it/
You will be promptly notified as soon as it will be published.

EMA-unauthorised vaccine

No, you can't.

If you have received one of these vaccines, you can receive an additional dose with a vaccine recognised by EMA!

Duration of “**Green Pass**”:

Starting from the 15th day after receiving a first dose, valid until receiving the final dose.
270 days starting the 15th day after receiving the final dose of vaccine

If you are a **EU citizen** and already have a EU digital COVID certificate, you do not need to request the Green Pass!

If you are a **citizen of the USA, UK, Canada, Japan or Israel** and already have an official digital COVID certificate, you do not need to request the Green Pass!

Can I get the “Green Pass” without vaccinating?

Update: 31st August 2021
Source: www.dgc.gov.it

Yes, you can

Negative result of a
**molecular or antigen
swab** test

Duration of “Green Pass”:
48 hours from the test

Recovery from COVID-19
certified by medical
certificate

Duration of “Green Pass”:
180 days from the release
of the certificate

If you are a **EU citizen** and already have a
EU digital COVID certificate, you do not
need to request the Green Pass!

If you are a **citizen of the USA, UK,
Canada, Japan or Israel** and already have
an official digital COVID certificate, you do
not need to request the Green Pass!
